Anaheim Gardens Housing DBA Anaheim Gardens Housing Apartments

EIN: 87-0708063

Attachment to Form 8886, Reportable Transaction Disclosure Statement
 Additional Information Required by Notice 2016-66, Section 3.05

(a)General rule - The Captive was formed to insure risks of related businesses. The insured entity pays premiums for property and casualty-type coverages. During its initial tax year, the Captive made an election pursuant to IRC Section 831(b) to be taxed on its taxable investment income under IRC Section 11(b). The insurance premiums incurred by the insured parties are deducted as an ordinary business expense pursuant to IRC Section 162. The taxpayer's premiums incurred are listed on Line 7 of this Form 8886. The owners of the taxpayer and the Captive and its owner(s) are reported on Line 8 of this Form 8886. Please refer to the Form 8886 filed by the Captive for a complete list of insured entities. There was no tax result protection.

(b)Information required of all participants - During 2017 the owners of the Captive were introduced to their captive manager by their professional advisors in an effort to address their various risk management and insurance needs. Prior to entering into the arrangement, the captive's insured had statistically independent risks for which it could not obtain commercial market coverage and for which it was self-insuring. The captive arrangement provides insurance to the insured to cover these risks, to meet risk management concerns, and to facilitate a comprehensive risk management program for its insured. The captive helps to increase accountability and transparency of all risk management and insurance related operations, fosters and facilitates a more insured friendly claims process than the commercial market typically affords, and significantly reduces the overall risk management costs of the insured. The taxpayers involved with the captive desired that the captive be formed for these reasons and first became aware of the need for a captive when they had problems securing adequate or cost effective commercial coverages, wanted to minimize self-insurance, or wanted to have more direct ability and flexibility to manage claims.
