

Unfiled Delinquent Accounts

Detailed PDF-based reconciliation against the Granite Walnut Hill court-case list

Purpose. This report lists every account in the attached Delinquent and Prepaid PDF with a positive **Total Delinquent** balance that had **no exact or spelling-variant tenant match** in the previously pulled Granite Walnut Hill court-case list. The court comparison included 83 cases in which Granite Walnut Hill or Granite Walnut Hill LLC was the plaintiff.

Scope note. The list below excludes the one spelling-variant candidate, Unit 103-J — Tiera S. Boone (USD 1,400.00), because the court list names the defendant as Tierra Boone. That item remains a manual-confirmation candidate rather than a confirmed unfiled account.

Sources and methodology: Tenant names, status, move-in dates, and Total Delinquent balances were extracted from the attached Delinquent and Prepaid PDF. Court comparison uses the previously pulled Granite Walnut Hill civil-case list and limits filed-case matches to records where Granite Walnut Hill / Granite Walnut Hill LLC is the plaintiff. “No filed match” means no exact or spelling-variant match was identified in that supplied court list; it is not an independent legal-status determination.
