

Foxen Waiver Program Communication System & Tenant Flow Guide

A standardized playbook for property managers to clearly, accurately, and consistently communicate the \$12/month Property Damage Liability Waiver supplement to all tenants across every building.

PROGRAM PARTNER	MONTHLY WAIVER FEE
Foxen Insurance Agency LLC	\$12.00 per tenant

SECTION 1

Executive Summary & Problem Statement

Our company currently partners with **Foxen Insurance Agency LLC** to offer a **Property Damage Liability Waiver** (the "Foxen Waiver") as a supplement to the renter's insurance clause embedded in every tenant lease. Tenants who do not provide their own qualifying renters insurance policy are automatically enrolled in this waiver program at a cost of **\$12.00 per month**.

While the program itself is well-designed and backed by a robust compliance platform, the current breakdown is occurring at the **communication level** — specifically in how property managers are explaining the program to tenants at lease signing and during move-in. This has resulted in tenant confusion, billing disputes, rejected insurance policies, and a general lack of trust in the process.

Core Problem: Property managers are inconsistently describing the Foxen Waiver — sometimes calling it "renters insurance," omitting the \$12 fee, or failing to provide the specific Foxen PO Box address that tenants need to have their own insurance approved. This guide standardizes every touchpoint.

SECTION 2

Identified Communication Errors

The following table documents the most common errors currently occurring across properties, their impact on tenants, and the corrective action required of all property managers going forward.

Current Error	Impact on Tenant	Required Correction
Calling the waiver "Renters Insurance"	Tenants believe their personal belongings are fully covered and that they have personal liability protection — both of which are false under the waiver.	Always refer to it as the Property Damage Liability Waiver . Explicitly state it is not a renters insurance policy.
Not disclosing the \$12/month fee	Tenants are surprised by unexpected charges on their rent ledger, leading to billing disputes and calls to the office.	Disclose the \$12 fee verbally at lease signing and in writing in the welcome email.
Unclear opt-out instructions	Tenants who have their own insurance don't know how to submit it, resulting in continued	Provide the direct Foxen portal link and step-by-step upload instructions in all communications.

Current Error	Impact on Tenant	Required Correction
	waiver charges even when they have coverage.	
Omitting the Foxen PO Box requirement	Tenants submit valid third-party policies that are rejected by Foxen because the required PO Box is not listed as "Additional Interest," causing frustration and delays.	Always provide the exact "Additional Interest" address: PO Box 12367, Columbus, OH 43212.
No follow-up for non-compliant tenants	Tenants who intended to submit their own insurance forget or delay, and the \$12 fee accumulates without resolution.	Implement a 15-day follow-up email for any tenant who has not yet had an approved policy on file.

Understanding the Foxen Waiver (Manager Reference)

Before communicating with tenants, every property manager must have a clear and accurate understanding of what the Foxen Waiver is and — equally important — what it is not. Misrepresenting this program exposes the company to tenant disputes and potential liability.

✓ What the Foxen Waiver COVERS

- ✓ Accidental damage to the apartment building caused by the tenant
- ✓ Covered causes: fire, smoke, explosions, water discharge & overflows
- ✓ Up to **\$100,000** in building damage liability
- ✓ Up to **\$10,000** for tenant's personal contents (same incident)
- ✓ Up to **\$1,000** in temporary living expenses
- ✓ Satisfies the lease's insurance requirement
- ✓ Automatic re-enrollment if third-party policy lapses

✗ What the Foxen Waiver Does NOT Cover

- ✗ Personal liability to third parties (e.g., guest injuries)
- ✗ Bodily injury claims
- ✗ Weather events (flooding, storms, etc.)
- ✗ Damage not accidentally caused by the tenant
- ✗ Damage to neighboring units (unless same incident)
- ✗ Full replacement of personal belongings
- ✗ Any coverage outside the specified causes of loss

Legal Disclaimer (Required): "The Foxen Waiver is not a renters insurance policy and residents enrolled in the Waiver are not insureds." This must be communicated clearly to every tenant. Foxen recommends tenants consult an insurance professional to determine their personal insurance needs.

Standardized Tenant Communication Flow

All property managers must follow this four-stage communication flow for every new and renewing tenant. Each stage has a defined action, timing, and responsible party. Skipping any stage is the primary cause of the errors identified in Section 2.

1 Lease Signing — Verbal Disclosure (Day 0)

During the lease signing appointment, the property manager must verbally walk the tenant through the insurance clause in their lease. The manager should explain: (a) the lease requires liability coverage; (b) if the tenant does not have their own renters insurance, they will be automatically enrolled in the **Foxen Property Damage Liability Waiver** for **\$12/month**; and (c) this fee will appear on their monthly rent ledger. The manager should also hand the tenant the one-page Tenant Quick Reference Card (see Section 7).

Script Tip: "Your lease requires you to carry liability coverage. We partner with Foxen to make this easy — if you don't have your own policy, we'll enroll you in the Foxen Waiver for just \$12 a month. It covers accidental damage to the building, but it is not full renters insurance. You can opt out at any time by uploading your own policy to the Foxen portal."

2 Welcome Email — Written Disclosure (Day 0–1)

Within 24 hours of lease signing, send the standardized **Welcome & Insurance Requirement Notice** (Template A, Section 5) to the tenant's email address on file. This email must include: the \$12 fee disclosure, a clear explanation of the waiver vs. renters insurance, the direct Foxen portal link, and the exact "Additional Interest" PO Box address required for third-party policy approval.

3 15-Day Follow-Up — Reminder for Non-Compliant Tenants (Day 15)

If a tenant has not yet had an approved insurance policy on file in the Foxen portal by Day 15, send the **Reminder Email** (Template B, Section 5). This email reminds the tenant that the \$12 waiver fee is active on their account, reiterates the opt-out steps, and provides the Foxen contact information for direct support.

4 Ongoing Monitoring — Foxen Platform (Continuous)

Property managers should log into the **Foxen Property Portal** at least once per week to review the compliance dashboard. The dashboard shows each tenant's current status: enrolled in the waiver, enrolled with third-party insurance, or non-compliant. If a tenant's third-party policy lapses, Foxen

automatically re-enrolls them in the waiver and notifies the tenant — no manual action is required. However, managers should be aware of any tenant with a "policy rejected" status and proactively reach out to help them correct their submission.

Decision Tree: What Happens at Each Stage

Tenant Action	Foxen System Response	Manager Action Required
Signs lease, does nothing	Auto-enrolled in Foxen Waiver; \$12/mo added to ledger	Send Welcome Email (Template A)
Uploads own insurance (approved)	Waiver fee removed; policy monitored 24/7	No action needed
Uploads own insurance (rejected)	Policy rejected; waiver remains active; tenant notified	Proactively contact tenant to correct PO Box / missing info
Own policy lapses or cancels	Auto re-enrolled in waiver; tenant notified by Foxen	No action needed (Foxen handles)
Wants refund for past waiver charges	Refund processed after policy approval (not submission)	Direct tenant to email status@foxen.com

Standardized Email Templates

The following templates must be used verbatim by all property managers. Fields in **[brackets]** should be replaced with the appropriate property-specific information. Do not paraphrase or abbreviate these templates, as the specific language has been crafted to accurately represent the program and avoid tenant disputes.

EMAIL TEMPLATE A — WELCOME & INSURANCE REQUIREMENT NOTICE

To: [Tenant Name] <[tenant@email.com]> | From: [Property Manager Name] <[manager@property.com]>
Subject: Important: Your Lease Insurance Requirement & The Foxen Waiver — [Property Name]

Dear [Tenant Name],

Welcome to [Property Name]! We are excited to have you as a resident. As outlined in Section [X] of your lease agreement, all residents are required to maintain liability coverage for their apartment unit.

To make this process as easy as possible, we partner with **Foxen** to offer a convenient compliance option called the **Foxen Property Damage Liability Waiver**.

You Have Two Options to Satisfy Your Lease Requirement:

Option 1 — Enroll in the Foxen Waiver (Default): If you do not provide proof of your own renters insurance, you will be automatically enrolled in the Foxen Waiver program. A fee of **\$12.00 per month** will be added to your monthly rent ledger. Please note: the Foxen Waiver satisfies your lease requirement, but it is NOT a renters insurance policy. It waives your liability for accidental damage to the building from covered causes (fire, smoke, explosions, and water discharge/overflows) up to \$100,000. It does not cover personal liability to third parties or all types of property damage.

Option 2 — Provide Your Own Renters Insurance (Opt-Out): If you prefer to purchase your own renters insurance policy, you can opt out of the Foxen Waiver at any time. Your policy must meet all of the following requirements to be approved:

- Minimum liability coverage of **\$100,000**
- Your insured address must include your **specific unit number**
- Policy must include active **coverage dates**
- The property must be listed as **"Additional Interest" or "Interested Party"** using the exact address below:

[Property Name]
PO Box 12367
Columbus, OH 43212

How to Upload Your Policy: Visit the Foxen Resident Portal at **resident.foxen.com**, create an account or log in, and navigate to "Upload Proof of Insurance." Once Foxen approves your policy, the \$12 monthly waiver fee will be removed from your account.

If you have questions about the portal or your policy status, contact Foxen directly:

As we have not yet received an approved renters insurance policy on your behalf, your account is currently enrolled in the **Foxen Property Damage Liability Waiver** at a fee of **\$12.00 per month**.

If you have your own renters insurance and would like to remove this fee, please upload your Certificate of Insurance (COI) to the Foxen Resident Portal as soon as possible. Your policy will be reviewed and, upon approval, the waiver fee will be removed going forward.

Insurance Policy Approval Requirements

The following checklist must be shared with any tenant who intends to opt out of the Foxen Waiver by submitting their own renters insurance. Policies are commonly rejected for missing one or more of these items. Property managers should review this list with tenants proactively to avoid rejected submissions.

Requirement	Why It Matters	Common Mistake
Insured address with unit number	Confirms the policy covers the specific apartment unit	Submitting a policy with only the street address, no unit number
Property listed as "Additional Interest" or "Interested Party"	Allows Foxen to receive policy status updates from the insurer	Listing the property as "Additional Insured" instead of "Additional Interest"
Foxen PO Box as the Additional Interest address	Ensures Foxen receives cancellation/lapse notifications directly	Using the property's street address instead of the PO Box
Active policy dates	Confirms coverage is current and not expired	Submitting a policy that has already expired or starts in the future
Minimum \$100,000 liability coverage	Meets the lease's minimum liability requirement	Purchasing a policy with only \$50,000 or \$75,000 in liability
