

River Garden Estates — Vacancy Marketing Plan

Sacramento, CA | Prepared: May 2026

Executive Summary

River Garden Estates is a family-oriented townhome community located in Sacramento, California, offering spacious 2–5 bedroom units ranging from 1,050 to 1,478 sq ft. The property features private enclosed patios, a basketball court, playground, on-site laundry, and a community room. Section 8 Housing Choice Vouchers are accepted, and water and trash are included in rent. This plan outlines a targeted, multi-channel marketing strategy designed to fill current vacancies as efficiently as possible, with a primary focus on Facebook and Instagram paid advertising supported by organic and community outreach efforts.

1. Property Overview

Detail	Information
Property Name	River Garden Estates
Location	Sacramento, CA
Unit Types	2 BR/2 BA (1,050 sq ft) and 5 BR/2 BA (1,478 sq ft)
Contact	(916) 922-7058
Section 8	Housing Choice Vouchers Accepted
Included Utilities	Water & Trash
Amenities	Basketball Court, Playground, On-Site Laundry, Community Room, Private Patios

2. Target Audience

Understanding who is most likely to rent at River Garden Estates is the foundation of an effective campaign. Three primary audience segments have been identified:

Segment A — Families with Children. The 2–5 bedroom floor plans, playground, basketball court, and spacious patios make this property ideal for families. Parents aged 25–45 in the Sacramento metro area who are searching for more space than a standard apartment can offer represent the highest-conversion audience.

Segment B — Section 8 / Housing Voucher Holders. Sacramento County has a significant population of households holding Housing Choice Vouchers. Explicitly advertising voucher acceptance in all ad copy removes a major barrier to inquiry and attracts a motivated, pre-qualified renter pool.

Segment C — Relocating Households. Sacramento continues to attract residents from the Bay Area and other high-cost California metros seeking more affordable space. Households relocating for work, family, or cost-of-living reasons actively search for larger units and respond well to value-focused messaging.

3. Facebook & Instagram Advertising Strategy

3.1 Campaign Structure

The paid social campaign should be structured as two separate campaigns within Facebook Ads Manager, each with distinct objectives and ad sets.

Campaign	Objective	Ad Sets	Budget
Campaign 1: Awareness	Reach / Brand Awareness	1 — Sacramento Metro (25-mile radius)	\$15/day
Campaign 2: Lead Generation	Lead Generation / Messages	2 — Families; 3 — Voucher Holders	\$20/day

Recommended Total Daily Budget: 35/*day*(1,050/month) **Minimum Viable Budget:** 25/*day*(750/month)

3.2 Targeting Parameters

Geographic: Sacramento, CA — 15-mile radius from the property address. Include zip codes: 95823, 95824, 95828, 95832, 95838, 95841.

Demographics:

- Age: 25–55
- Household size: 3+ (for family targeting)
- Income: 30, 000–80,000/year

Interests & Behaviors:

- Apartment/home searching
- Moving & relocation
- Family & parenting
- Sacramento community groups

Custom Audiences:

- Retargeting: Website visitors (if applicable) and anyone who engaged with previous posts
- Lookalike Audience: Build from existing tenant contact list (1–2% lookalike)

Special Ad Category: Because this is a housing advertisement, it **must** be set to the “**Housing**” **Special Ad Category** in Facebook Ads Manager. This disables age, gender, and zip code targeting but enables the housing-compliant audience tool. This is a legal requirement under the Fair Housing Act.

3.3 Ad Creatives Delivered

Three production-ready ad creatives have been built using actual property photos:

Ad	Format	Dimensions	Best Placement
Facebook Ad	Landscape	1200 × 628 px	Facebook Feed, Marketplace, Right Column
Instagram Feed Ad	Square	1080 × 1080 px	Instagram Feed, Facebook Feed
Instagram Story Ad	Vertical	1080 × 1920 px	Instagram Stories, Facebook Stories, Reels

3.5 A/B Testing Recommendations

Run two versions of the Facebook Feed ad simultaneously for the first two weeks:

- **Version A:** Primary photo (exterior building) — tests brand/property appeal
- **Version B:** Interior living room or kitchen photo — tests lifestyle/space appeal

After 7–10 days, pause the lower-performing version and reallocate its budget to the winner.

4. Facebook Marketplace (Free)

Facebook Marketplace is one of the highest-traffic free rental listing platforms in Sacramento. Create a listing with the following:

- **Title:** “Now Leasing — 2BR & 5BR Townhomes | River Garden Estates | Sacramento”
- **Photos:** Use all 12 property photos, leading with the exterior primary photo

- **Description:** Full amenity list, Section 8 acceptance, contact number
 - **Price:** List starting rent or “Call for pricing”
 - **Renewal:** Relist every 7 days to stay at the top of search results
-

5. Supplementary Marketing Channels

5.1 Online Listing Platforms

Ensure the property is active and fully optimized on all major platforms:

Platform	Priority	Cost
Apartments.com	High	Paid listing (already active)
Zillow Rentals	High	Free basic listing
Craigslist	High	\$5/post (Sacramento)
AffordableHousing.com	High	Free (Section 8 audience)
GoSection8.com	High	Free (voucher holders)
HotPads	Medium	Free
Trulia	Medium	Free
Zumper	Medium	Free

Key Optimization Tips:

- Upload all 12 photos to every listing
- Include “Section 8 / Housing Vouchers Welcome” prominently in the title and first paragraph
- Respond to inquiries within 2 hours — platforms rank faster responders higher

5.2 Google Business Profile

Create or claim the Google Business Profile for River Garden Estates. This enables the property to appear in Google Maps searches for “apartments near me” and

“Sacramento rentals.” Add photos, hours, and a direct call button.

5.3 Community & Referral Outreach

Resident Referral Program: Offer current residents a 100–200 rent credit for referring a new tenant who signs a lease. Word-of-mouth from satisfied residents is the highest-trust form of advertising.

Local Community Boards: Post flyers at:

- Sacramento Housing Authority offices
- Local churches and community centers
- Laundromats and grocery stores in the 95823/95824 zip codes
- Sacramento Employment & Training Agency (SETA) offices

Section 8 Outreach: Contact the Sacramento Housing and Redevelopment Agency (SHRA) directly to be listed as a participating landlord. SHRA maintains a landlord directory that voucher holders actively use.

5.4 Email / SMS to Waitlist

If a waitlist or prior inquiry database exists, send a direct outreach message:

“Hi [Name], units are now available at River Garden Estates in Sacramento! We have 2–5 bedroom townhomes with private patios, playground, and on-site laundry. Section 8 welcome. Call (916) 922-7058 or reply to this message to schedule a tour.”

- Use the Equal Housing Opportunity logo or statement on all print materials
- Facebook/Instagram housing ads **must** use the “Housing” Special Ad Category
- Avoid phrases like “perfect for couples,” “quiet adult community,” or “ideal for professionals” — these may imply discrimination against families or other protected classes
