

River Garden Estates — Vacancy Marketing Plan

Sacramento, CA | Prepared: May 2026

Executive Summary

This marketing plan outlines a comprehensive strategy to fill vacancies at River Garden Estates in Sacramento, CA. The property offers spacious 2–5 bedroom townhome-style apartments with family-friendly amenities and accepts Section 8 vouchers. The strategy focuses on targeted Facebook and Instagram advertising, free listing syndication, and community outreach to reach families and voucher holders seeking affordable, spacious living.

1. Property Overview

Detail	Information
Property Name	River Garden Estates
Location	Sacramento, CA
Unit Types	2–5 Bedroom Townhome-Style Apartments
Rent Range	Call for pricing
Contact	(916) 922-7058
Section 8	Vouchers Welcome
Included Utilities	Water & Trash
Amenities	Private Enclosed Patios, On-Site Laundry, Basketball Court, Playground

2. Target Audience

Segment A — Families with Children Families in the Sacramento area looking for more space than a traditional apartment. The 2–5 bedroom layouts, private enclosed patios, and on-site playgrounds make this property highly attractive to households with children who need room to grow.

Segment B — Section 8 / Voucher Holders Since the property welcomes Section 8 vouchers, this is a critical demographic. Many voucher holders struggle to find properties that accept their vouchers, especially for larger unit sizes (3+ bedrooms). Highlighting this acceptance will drive significant inquiry volume.

Segment C — Relocating Households seeking Value Renters moving within or to Sacramento who prioritize space and affordability over luxury downtown amenities. The inclusion of water and trash in the rent adds to the value proposition.
